

SAN MARINO ROTARY CLUB

President Merrill Francis' Year
1990-1991

The social season peaked early with the first annual Glad You Were Able To Sell Your House, Thank You and Good By Secretary John and Kitty Morris Party in the Bill and Barbara Steele Gardens. Rewards flourished throughout the year with the first Silver Slipper Award for grace and giving going to Barbara Bice, host of our August party in Barbara and Scott's Garden for District Governor Taro Kawa. Resplendent ladies adorned our sumptuous first Buy Out The House Dinner And Music Party at Maldonado's in October.

Tree plantings to honor past Rotarians, mini grants for teacher - student special projects, the District music awards and sponsorship of Scout Troop 350 were San Marino Rotary's new projects.

American the Beautiful and Deutschland Uber Alles featured our German Group Study Exchange led by District Governor to be Conrad Von Bieber.
