Dear Mike:

As you know, support for the *Centennial Clock* has been very strong. But President Jack asked that I remind those few with outstanding pledges that we would like to have payment in full by the end of this month, as we are ordering the recognition plaque in early March.

Accordingly, this is to remind you of your pledge of \$500.

Checks should be payable to *San Marino Rotary Charities*. A response envelope is enclosed.

We again thank you for your generous support. The Centennial Clock will be a wonderful gift to our community to mark the 100th anniversary of the founding of Rotary. It's a project of which we will be proud

Sincerely,

Dennis Kneier
