01:03:41 PBrassard: Very good career advice for young people.

01:03:48 Gilda Moshir: I agree we need to raise money - the survey has gotten about 28 members responses - I think we should talk to Mary Ulin - new member and see if she'd be open to help - our week to week turnout is not too high - that's my concern - 30-40 members we need more attendance
