01:42:04 Kimberlee Luedee-Chase: I unfortunately have a meeting to run to. Thank you for hosting this event today. We are so grateful to have the opportunity to come together – even if virtually on ZOOM with fellow Californians who will and are serving our country. Coming from a ‘military’ family – my father was years ago in the ARMY stationed in Germany , my uncle was a revered Chaplain who served tours in Vietnam and honored with many medals, my nephews are across the military – Marines,

Special Ops and my youngest serving on a submarine. I am so proud of our son attending the US Coast Guard Academy in New London CT and all of you today signing up to serve our country. Your appointments are a proud moment for all of us. Congratulations to all of you. And thank you LT Padua, an honor to hear from you. Thank you for your service. Thank you San Marino Rotary. Best Regards to All.
